

ABOUT FAMILY DAY CARE - PARTICIPATION

POLICY

Parents, Educators and staff should be active in the development of quality Family Day Care. Through participation, a strong and experienced support base can be built up.

This involvement and participation significantly increases the satisfaction and confidence of the stakeholders in the Scheme by enhancing understanding, trust and co-operation. It also helps to establish the roles and responsibilities within a Scheme.

This Scheme recognises that everyone involved in Family Day Care is a participant and that to share and take part is fundamental in the development and application of policies and procedures, enabling all the participants to contribute to the goals and objectives of the Scheme.

PROCEDURE

All participants in this Scheme are encouraged, by means of appropriate democratic processes, to participate as fully as possible in the management and development of the Scheme.

Parents, Educators and staff will be provided with written information on Scheme policies so that the participants fully understand their rights and responsibilities, and the rights and responsibilities of the other parties involved.
