

EDUCATORS - PLAYGROUP

POLICY

Playgroups are seen to be an important resource to Educators. The Mt Alexander Family Day Care scheme may operate playgroup sessions where demand justifies it and where an appropriate venue is available. All Educators will be encouraged to attend, and also given details of independent playgroups running in their vicinity.

PROCEDURE

1. Whilst transporting children to and from Playgroup, all safety criteria must be met, and parents must sign an annual consent for routine excursion form.
2. Whilst attending playgroup, FDC children are the direct responsibility of Educators.
3. Educators are encouraged to be involved in the planning and carrying out of activities for children whilst at playgroup.
4. The safety of Family Day Care children must be of primary concern whilst at playgroup.
